OVERVIEW

Official bootleg, band approved

Recorded Live May 5th, 2008 Grand Ballroom at the Regency Center, San Francisco, California (USA)

Asia- Live In San Francisco 2008 is the first of a series of Live double albums recorded during the successful 2008 world tour from Asia.

The unique factor from each concert is the performances from the band members adding solo performances to the now famous Asia tracks with historical versions of hits from their previous bands such as YES, King Crimson and ELP.

This is a must for Asia fans to collect - authorised from the bands own archives.
