AXS TV will be broadcast from ASIA’s highly anticipated *XXX* tour, celebrating the band's 30th Anniversary. In 2006, the original line-up of keyboardist Geoffrey Downes; guitarist Steve Howe; lead vocalist and bassist John Wetton; and drummer Carl Palmer reunited after 23 years apart, for what they thought would be a single US tour. The band has remained together since, cutting three acclaimed studio albums (*Phoenix*, *Omega*, and the recently released *XXX* album) and completing several successful tours. The band's 1982 debut album, which will soon be commemorated with a prestigious box set, was the biggest selling record of that year, and held the #1 position on Billboard's Top 100 chart for an astounding 9 weeks.
